M E & M E

It has two modes to travel. One is efficient and comfortable traffic mode with long-distance rails and the other is free and open automatic highway driving mode.

Zzzzz...

It not only embodies both parties of a contradiction but also finds the balance between the two parties.

LYNK&CO

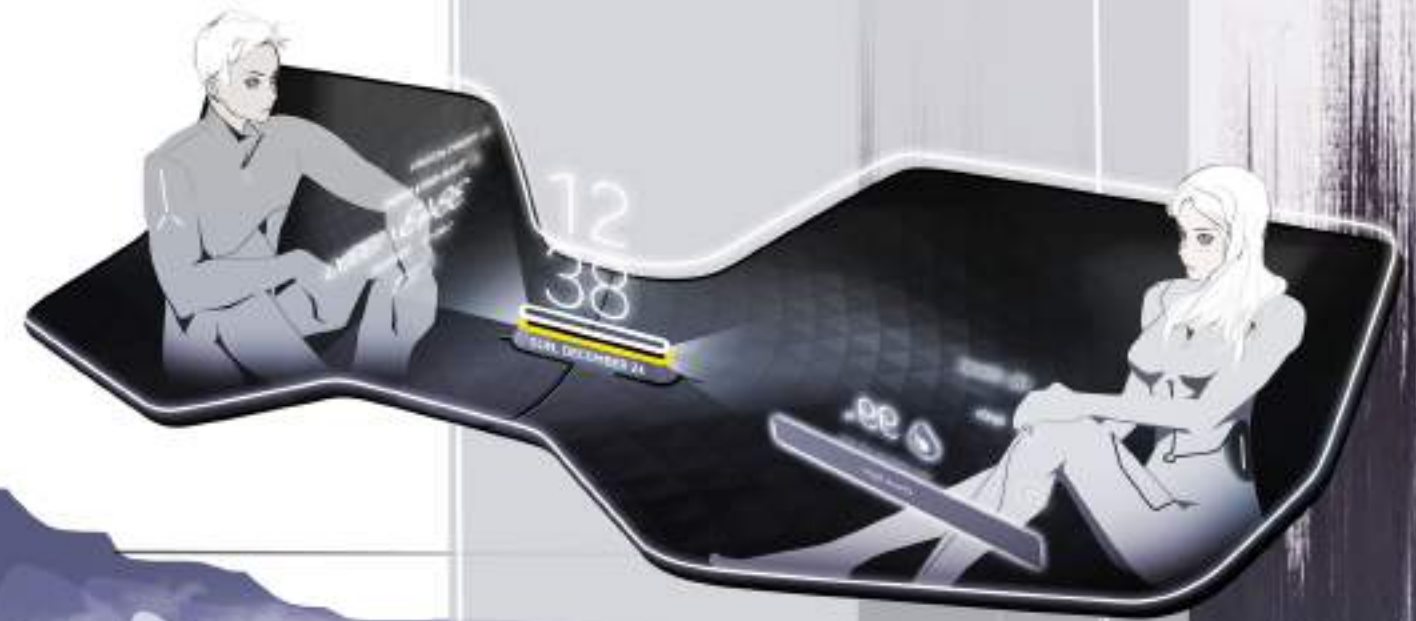

Attach the automobile to the steel cables and take advantage of sleeping time to complete the long-distance travel.

Being on business, Extra work,
Staying up ?
Airplane, High-speed railway,
Transferring ?

B A C K T O R E A L I T Y

LYNK&CO

Slow-speed automatic highway driving mode.

The open space keeps away from the suppression and restraint brought by the enclosed space. People interact with things more purely and authentically.
